2. Add the potatoes and sweet potatoes, pour in the vegetable stock and add the bay leaves. Cover and bring to the boil, stir, then cook covered on low for 10 minutes. 1:57
3. Add the celery, carrots and red pepper, then the coconut milk, soy sauce and sugar. Stir well, cover and cook over medium heat for 10 minutes until everything is tender. 2:17
4. For a thicker curry, mix the cornstarch with the water, stir it in gently and cook 3–4 minutes until the sauce thickens. Serve hot. 2:36

> **Tip** Serve with a baguette, rice or rice noodles. Add cubed firm tofu for extra protein. The lemongrass pieces and bay leaves are for flavour; pick them out before eating.
