## Method TIMES = THE MOMENT IN THE VIDEO

1. Butterfly each chicken breast into two thin fillets. Toss with the olive oil, 1 tbsp lime juice, garlic, cumin, smoked paprika, oregano, chopped chipotle in adobo, salt and pepper. Cover and chill for at least 30 minutes, or overnight. 0:26
2. Put the washed rice in a saucepan with 550 ml cold water and a pinch of salt. Bring to the boil, cover, turn to low and cook 12 minutes, then leave off the heat with the lid on for 4 minutes. 1:35
3. Heat a large pan over medium-high heat, with a touch of spray oil if you like. Lay in the chicken and sear 4 minutes without moving, then flip and cook 3–4 minutes more until it reaches 74°C inside. Rest 5 minutes, then slice into 1 cm strips. 1:55
4. Fluff the rice and fold through the rinsed beans and corn, the chopped coriander, the lime zest and about half the lime's juice. 2:33
5. Divide the rice between five containers, top with the chicken and grated cheese. Pack the tomatoes, red onion and coriander separately so they stay crisp. 3:49
6. To serve, reheat the rice and chicken until piping hot, then add the fresh toppings, a spoonful of Greek yoghurt and a squeeze of lime. 4:44

> **Tip** Keeps 4 days in the fridge; the rice, chicken and cheese freeze for up to 3 months (keep fresh toppings and yoghurt out). For the cook's quick sauce, mix equal parts sriracha and mayonnaise or yoghurt.

The method is a summary in our words — the video shows every step.
