Method TIMES = THE MOMENT IN THE VIDEO

1. Make the marinade: stir together the chopped onion, garlic, chipotles with adobo, oil, cider vinegar, ancho and chipotle powders, cumin, coriander, oregano, onion powder, garlic salt, pepper and salt. Taste and adjust. 0:14
2. Slice the chicken breasts in half horizontally so they cook quickly, coat them well in the marinade, cover and refrigerate for at least 2 hours. 0:57
3. Take the chicken out 10 minutes before cooking. Meanwhile blend the avocado, onion, garlic, coriander, chilli, lime juice, seasoning and 120 ml water until smooth; taste and adjust. 1:23
4. Heat a griddle or comal over medium-high. Cook the chicken about 4 minutes per side until just cooked through, then rest it under foil while you cook the rest. 2:15
5. Warm the corn tortillas on the hot griddle. Slice the chicken into strips, then into small pieces. 2:56
6. Spread each tortilla with avocado salsa, add chicken, squeeze over a little lime and top with shredded cabbage, pico de gallo and salsa roja. 3:17

> **Tip** Serves 6, about 3 tacos each (our estimate). Thighs work too. For a milder marinade use only the adobo sauce and skip the chipotle chillies.
