Method

TIMES = THE MOMENT IN THE VIDEO

1. The night before, stir the chia seeds into three times their volume of water and leave to soak. 3:23
2. In the morning, mix the Greek yoghurt with the kefir and spoon into a bowl. 3:32
3. Layer on the berries, soaked chia, walnuts, mixed nuts and seeds, and the kinako or other powder. 3:39
4. Drizzle with a little maple syrup if you want it sweeter. 3:45

> **Tip** Soak the chia the night before (not counted in the time). For more protein, add a scoop of protein powder or more yoghurt. For a vegan bowl, use plant-based yoghurt and add soy milk or protein powder.

The method is a summary in our words — the video shows every step.
