Method TIMES = THE MOMENT IN THE VIDEO

1. Stir together the chili powder, cumin, garlic powder, paprika, oregano, salt and pepper. 0:30
2. Put the shrimp in a large bowl with 2 tbsp olive oil, the lime juice and the seasoning. Toss to coat and leave 10–15 minutes while you prepare the vegetables. 0:52
3. Halve and thinly slice the onion, and deseed and slice the bell peppers. 1:48
4. Heat a large pan over medium heat with the rest of the oil and sauté the onion and peppers 4–5 minutes, until soft and just starting to colour. Lift them out onto a plate. 2:44
5. Add the shrimp to the same pan (with a splash more oil if it's dry) and cook 2–3 minutes a side, until pink and opaque. 3:02
6. Return the vegetables, stir everything together with the pan juices and squeeze over more lime. Serve in tortillas or lettuce leaves with avocado, salsa and cilantro. 3:39

> **Tip** Leaving the tails on adds flavour and stops the shrimp curling as much; pull them off before eating.

The method is a summary in our words — the video shows every step.
