Method TIMES = THE MOMENT IN THE VIDEO

1. Heat the oven to 200°C fan (200°C). 0:26
2. Slice the green pepper, dice the onion and slice the garlic. Grate the tomatoes into a bowl, discarding the skins, and stir in the sugar. 0:40
3. Toss the prawns with 3 tbsp olive oil, salt and pepper and sear them in a very hot pan for 1 minute in all, just to colour them. Set aside. 1:16
4. In the same pan, with a little more oil, sauté the onion, pepper, garlic, chilli flakes and star anise with salt and pepper until golden. Stir in the tomato paste. 1:57
5. Take the pan off the heat, add the ouzo and carefully flambé it (or just let it bubble off), then add the tomatoes and bring to a boil. 2:21
6. Pour into an ovenproof dish, scatter half the basil, some oregano and half the feta, nestle in the prawns, and top with the rest of the feta and herbs and a drizzle of oil. 2:35
7. Bake 20 minutes until golden and bubbling. Serve with a little more olive oil, pepper and oregano. 3:11

> **Tip** Serves 3 as a main (our estimate) or 4–6 as a starter. Remove the star anise before serving. Traditionally eaten with bread for the sauce; it is low in carbs on its own.
