Method TIMES = THE MOMENT IN THE VIDEO

1. Pat the lamb chops dry and cut the rack into single chops, about ¾ inch thick. 1:00
2. Mix the pressed garlic with 3 tbsp of the olive oil, the parsley, Tabasco, salt, pepper and thyme. Rub it all over the chops, cover and refrigerate for at least 1 hour or overnight (the video marinates them at least 6 hours). 0:29
3. Take the chops out about 30 minutes before cooking. Heat a heavy pan over high heat with the last tablespoon of oil and sear the chops 2–4 minutes a side, in batches, to your liking. 1:33
4. Rest the chops under foil for 5 minutes. Pour off the excess fat, leaving the browned bits in the pan. 1:55
5. Add the stock and simmer about 2 minutes, then take the pan off the heat and whisk in the soft butter a spoonful at a time. Spoon the sauce over the chops and scatter with parsley. 2:07

> **Tip** Time includes 1 hour of marinating; longer (up to overnight) gives more flavour. Serve with a green salad or buttery greens to keep it keto. Pull the chops at 140°F for medium.

The method is a summary in our words — the video shows every step.
