1. Heat the oven to 175 °C and line a baking sheet with baking paper. 1:34
2. Whisk the melted butter, coconut sugar, egg and vanilla in a large bowl until smooth. 0:22
3. In another bowl whisk the oats, almond flour, cinnamon, baking soda and salt. Stir them into the wet mixture until there are no dry lumps, then fold in the raisins. 0:44
4. Scoop about 1½ tbsp of dough per cookie onto the sheet (about 15) and flatten each one with your fingers, as they won't spread much. 1:36
5. Bake for 9–10 minutes, until lightly golden. Cool on the sheet for 5–10 minutes before moving. 2:27

> **Tip** Makes 15. Swap the raisins for other dried fruit or chocolate chips. Rest the dough 30–60 minutes for chewier cookies. Keeps a week in an airtight container, or freeze for up to 3 months.
