Method TIMES = THE MOMENT IN THE VIDEO

1. Heat 2 tbsp oil in a wok, add the chopped okra and fry 4–5 minutes on medium heat, stirring gently, until lightly crisp. Lift it out. 0:34
2. Add 1 tbsp oil and fry the onion petals for about a minute so they stay crunchy. Lift them out. 1:21
3. Heat 3 tbsp oil, add the black cardamom, cinnamon, cumin and fenugreek seeds, then the green chilli and chopped onion, and fry 3–4 minutes on medium heat. 1:53
4. Stir in the ginger-garlic paste for 30 seconds, then the turmeric, chilli powder and coriander for a minute on low heat. Add the tomato purée and salt and cook until the oil separates. 2:38
5. Return the okra and onion petals, mix gently and cook 8–10 minutes on low heat. 4:18
6. Sprinkle over the garam masala and amchur, cook one more minute and turn off the heat. 4:34

> **Tip** Dry the okra well before chopping so it doesn't turn slimy. For paleo, cook it in ghee or avocado oil instead of a seed oil. Kabita serves it with roti or dal and rice (not in the numbers).
