Method

TIMES = THE MOMENT IN THE VIDEO

1. Heat the oven to 190 °C and lightly oil a small baking dish.
2. Warm the 1 tbsp oil in a pan and cook the onion and garlic until soft, golden and fragrant, about 8 minutes.
3. Squeeze the thawed spinach as dry as you can. Pulse it with the artichoke hearts in a food processor until roughly chopped, keeping some texture. 0:30
4. Add the mozzarella, yoghurt, cream cheese, mayonnaise, half the Parmesan, the onion and garlic, salt and pepper, and pulse until fairly smooth (or chop the vegetables finely and mix by hand). 1:48
5. Spread in the dish, scatter over the rest of the Parmesan and bake 20–25 minutes until hot and golden on top. Serve warm with cut vegetables or pita chips. 3:57

> **Tip** Make it a day ahead and bake just before serving. Serve with raw vegetables (capsicum, cucumber, carrot) to keep it gluten-free and lighter than pita chips.
