Miso-Sesame Dressing for Vegetables

5 min · Makes 7 × 1 tbsp · 75 kcal a portion · Video 3:01 · Helen Rennie

Vegan · Gluten-free ingredients · Nut-free

A thick, savoury dressing with no added sugar and about 1 g of net carbs a tablespoon; most of its fat is unsaturated, from the oil and sesame seeds, and it makes plain blanched vegetables something to look forward to.

Diet notes: Keto (1.3 g net carbs a serve).

Method

TIMES = THE MOMENT IN THE VIDEO

1. Put the white miso, toasted sesame seeds, lemon juice and oil in a tall narrow container. 1:31
2. Blend with a stick blender until thick, like peanut butter, with tiny flecks of sesame still visible. For a jug blender or food processor, double the batch so the blades can catch it. 1:45
3. Toss with well-dried blanched or raw vegetables, such as green beans, asparagus, broccoli, carrots or kale; it clumps at first, then spreads as you keep tossing. Taste before adding any salt, as miso is salty. 2:13
4. Keep leftovers covered in the fridge for about a week.

> **Tip** Coats about 16 oz green beans for 4 (about 2 tbsp each): blanch them 2 minutes in salted boiling water, cool and dry well. Avoid barley miso if you need it gluten-free.
