Method TIMES = THE MOMENT IN THE VIDEO

1. Put the eggs in a saucepan with just enough water to cover and bring to a boil over high heat. Cover, turn off the heat and leave exactly 10 minutes. 0:54
2. Meanwhile dice the tomatoes and finely chop the spring onion and green pepper. Pound the garlic in a mortar with 2 spoonfuls of the green pepper and a pinch of salt to a paste. 1:30
3. Cool the eggs in iced water for 2–3 minutes and peel them. Halve them, finely chop the whites and add the yolks to the mortar, mashing them into the garlic paste. 2:04
4. Slowly work in the olive oil, stirring all the time, to make a smooth sauce. 3:11
5. Combine the tomatoes, onion, green pepper and chopped whites (keep a spoonful of pepper and egg white for the top), pour over the sauce, season and mix. 3:45
6. Drain the tuna, flake it over the salad and fold it in. Top with the reserved pepper and egg white. 4:22

> **Tip** The mashed yolk, garlic and olive oil make a light dressing that clings to the tomatoes without any mayonnaise.

The method is a summary in our words — the video shows every step.
