Method TIMES = THE MOMENT IN THE VIDEO

1. Heat a good splash of olive oil in a casserole over high heat and sear the drumsticks for about 1 minute on each side, just to colour them. Lift out and set aside. 0:18
2. Lower the heat to medium and add the garlic clove and the finely chopped onion to the same oil. Season with a pinch of salt and pepper and cook gently for about 10 minutes. 0:58
3. Meanwhile heat a little oil in a frying pan over high heat and toast the finely chopped almonds for a few seconds, until just golden. 1:35
4. Add the hard-boiled egg yolk and a pinch of saffron to the almonds, mix, and tip everything into the onion. 1:54
5. Stir in 1 tbsp flour and cook for about 2 minutes so it loses its raw taste. 2:45
6. Pour in ½ glass of white wine and stir until it comes together into a smooth paste. 3:06
7. Return the drumsticks, cover generously with the chicken stock and bring to the boil. Simmer for about 30 minutes until the chicken is tender, then check the salt and pepper and serve. 3:25

> **Tip** Serves 4 (as the cook says). Traditionally made with a boiling hen cooked for about 3 hours; chicken drumsticks or a whole jointed chicken are quicker. Lovely with green beans or a salad.
