Method TIMES = THE MOMENT IN THE VIDEO

1. Put the quartered onion, garlic, 2 tsp sumac, Aleppo pepper, coriander, allspice and lemon juice in a food processor with the olive oil and blend to a chunky marinade. 0:16
2. Pat the chicken thighs dry and season well with kosher salt and black pepper. 2:59
3. Put the chicken in a zip-top bag, add the marinade, seal and massage until every piece is coated. 3:32
4. Refrigerate at least 30 minutes (or up to overnight), turning the bag now and then. 4:29
5. Heat a grill to medium-high. Grill halved lemons cut side down, with no oil, until they have char marks; set them aside for squeezing. 4:58
6. Shake the excess marinade off the chicken and grill in one layer, covered, about 5 minutes; turn and grill 3–5 minutes more, until at least 165°F in the thickest part. Rest 5 minutes, then serve sprinkled with more sumac with the grilled lemons. 6:06

> **Tip** The blended onion marinade tenderises the thighs as well as flavouring them, so give it at least half an hour.

The method is a summary in our words — the video shows every step.
